HYDRO CHAIN CABLE

- Generator included

BDJ HYDRO CHAIN CABLE

BDJ HYDRO CHAIN CABLE is a powerful machine designed for the toughest mainline tasks, intended for blowing cables into pipes with diameters of 32, 40 and 50 mm. At the heart of the machine are advanced hydraulic motors, which generate a pushing force of up to 2000 N. The use of a chain feeder ensures unrivalled grip and stability when guiding the cable, even over extreme distances and on difficult route profiles. A key and unique advantage of this kit is that the machine is supplied complete with a professional Hycon hydraulic power unit and dedicated hoses. This gives you a fully independent, integrated system that is 100% ready for the toughest jobs immediately upon delivery.

Range:	2500 m
Pipe:	32, 40, 50 mm
Micro-cables:	6 - 20 mm

PRODUCT DETAILS

- Extreme pushing force (2000 N) – unrivalled hydraulic power for the longest main lines.
- Reliable chain feeder – maximum force transfer to the cable without slippage or risk of damage.
- Complete professional kit – supplied with a reliable Hycon power unit and hydraulic hoses
- Designed for mainline applications – perfectly optimised for thick cables and 32, 40 and 50 mm HDPE pipes.
- ‘Plug & Play’ completeness – a fully equipped system ready for immediate deployment on site.

TECHNICAL SPECIFICATIONS

Cable diameter	6 – 20 mm
Pipe diameter	32, 40, 50 mm
Max. blowing length	2500 m
Max. blowing speed	80 m/min
Max. operating pressure	10 bar
Machine dimensions (L×W×H)	850×400×300 mm
Machine weight	42 kg
Transport case dimensions	920×530×440 mm
Total weight of the set	55 kg

CONTENTS OF THE SET

- Set of sleeves for secondary pipes
- Cable guide sleeves
- Set of seals and sleeves
- 10 m air hose
- Transport case
- Hydraulic hoses with pressure regulation system
- Tool kit
- Operating instructions
- Power unit

COMPRESSOR

Recommended Compressor:
ATMOS PDH76 | KAESER M82A

WARRANTY AND SERVICE

We offer a standard 3-year warranty, which can be extended to 5 years. The extended warranty is subject to an annual service carried out by one of our authorised service partners.
